

Something to do 3: shapes on the shore

Find animals and plants that match the shapes below. Write their names in the correct column. You might find other shapes, too, such as tubes.

| | | | |
|---|---|--|---|
|  |  |  |  |
| Stars | Triangles | Joined circles | Ribbons |
|  |  |  |  |
| Circles | Spirals | Fans | Worms |

Other shapes you found:

Back in the classroom, you can use these shapes to do some art work.
