

Show Us Your Harbour

Photo Competition

Show us what is special about **Te Awarua-o-Porirua** (the Pauatahanui Inlet, the Onepoto Arm, the harbour entrance, and the streams that run into them).

The competition is open for entries **November 2026** to **February 2027**, with the best photographs showcased at an exhibition at Pataka in **June 2027**.

We want to celebrate what is special about our harbour and its waterways, to confront the challenges it faces, and to honour the work people are doing to nurture a resilient harbour.

There are 6 categories:

- **A** Scenic
- **B** Nature, including underwater
- **C** Recreation
- **D** Artistic
- **E** Challenges to the health of the harbour
- **F** Lending a hand to look after the harbour

for more information or to enter, go to ***www.yourharbour.nz***

Get out there and show us our harbour!
